## 👤 PROFILE

Greetings, I am Animesh Upadhyay: Passionate Engineer | Code Enthusiast | Web Developer | Cricket Enthusiast 🏏 | Music Lover 🎧

## 🎓 EDUCATION

**B.E CSE(Artificial Intelligence & Machine Learning)**

Chandigarh University (Grade - 7.8 CGPA)

2021 – 2025 | Mohali

**Class 11-12**

Doon Public School (Grade- 86.4%)

2019 – 2021 | Nanital, India

## 👛 PROFESSIONAL EXPERIENCE

**Oasis Infobyte**

Web Developer

2023 – 10/2023 | Remotely, India

I am currently working as a WebDev intern. Completing some development task which are assigned to me. Oasis Infotech is a leading development company. Oasis provides state-of-the-art technology and consulting services for automating modern technologies.

## 📁 PROJECTS

### Movie Recommender System

Developed a cutting-edge Movie Recommendation System in Python using Cosine Similarity. Utilized a diverse Kaggle dataset, performed advanced data preprocessing, and employed cross-referencing for improved accuracy and uniqueness in our approach. 🎬🔍

It will suggest personalized film choices to users based on their preferences and viewing history. It uses various techniques like collaborative filtering

### Spotify Clone - Music Player

Created a professional Spotify Clone using HTML5 and CSS3.

Employed Flexbox, Grids, and Media Queries for a responsive design, ensuring an immersive user experience. 🏠🎵

## 🏆 AWARDS

### Swayam NPTEL Deep Learning (IIT Kharagpur)

Secured silver ranking in Deep Learning exam which was conducted by IIT Kharagpur

01/2022

### Uttaranchal University Hackathon

Proud to announce that me and my team participated in the hackathon hosted by Uttarakhand University, Dehradun, and secured the third position. It was an exhilarating experience filled with innovation, .

### Apex Institute Technology Cricket Tournament

Chandigarh University-Sports Department

Awarded "Man of the Match" in [AIT Cricket] for exceptional performance

## 🧠 SKILLS

- Data Structures and Algorithm
- Front End Development
- AI/ML & Development
- Teamwork | Leadership Skills | Communication Skills
- Sports | ESports
- Postman API Testing
